

Every Tree Counts

Authors: Praba Ram, Sheela Preuitt

Illustrator: Sangeetha Kadur

Translator: Anastasia Liapchenko

Level 2

Бенгальский фикус стоит величаво,
Раскинув длинные корни до земли.

Дерево Бутеа растет в тени в саду,
Маня пчел своим сладким нектаром.

Фикус Религиоза на деревенской улице
Радует попугаев сочным инжиром.

Мелия Индийская покачивается в полях,
Ее горькие ядра защищают посев от вредителей!

Деревья Сыжигиум растут у прохладного ручья,
Даря пурпурные плоды.

Коралловые деревья растут у фермы,
Их прекрасные алые цветы манят редких птиц.

Гималайский кедр стоит у подножья горы,
Его душистая древесина пригодится для масел и
ароматов.

Индийский Тамаринд дарит жителям острые
плоды,
Чтобы приправлять еду.

Деревья Шала спрятались в чаще леса,
Их листья мы используем как посуду для еды.

Прозопис Кинерариа растёт в жаркой пустыне,
Верблюды наслаждаются его нежными корнями.

Деревья дают кислород, которым мы дышим.

Они защищают почву.

Деревья дают нам еду, обрабатывая солнечную энергию.

Деревья одаривают нас, защищают. Они очень важны.

Деревья очень важны для нас. В любой точке мира, каждое дерево незаменимо!

Every Tree Counts (Russian)

Все деревья мира важны - и важно каждое! Эта книга позволит маленьким читателям совершить увлекательное путешествие по странам мира, и узнать, как деревья помогают людям.

This is a Level 2 book for children who recognize familiar words and can read new words with help.

Pratham Books goes digital to weave a whole new chapter in the realm of multilingual children's stories. Knitting together children, authors, illustrators and publishers. Folding in teachers, and translators. To create a rich fabric of openly licensed multilingual stories for the children of India and the world. Our unique online platform, StoryWeaver, is a playground where children, parents, teachers and librarians can get creative. Come, start weaving today, and help us get a book in every child's hand!
