Level 2

— Почему ты не сделал домашнее задание?

— Мисс, во всем виноват кот!

Если бы он на застрял на дереве, я бы не достал лестницу, чтобы его снять.

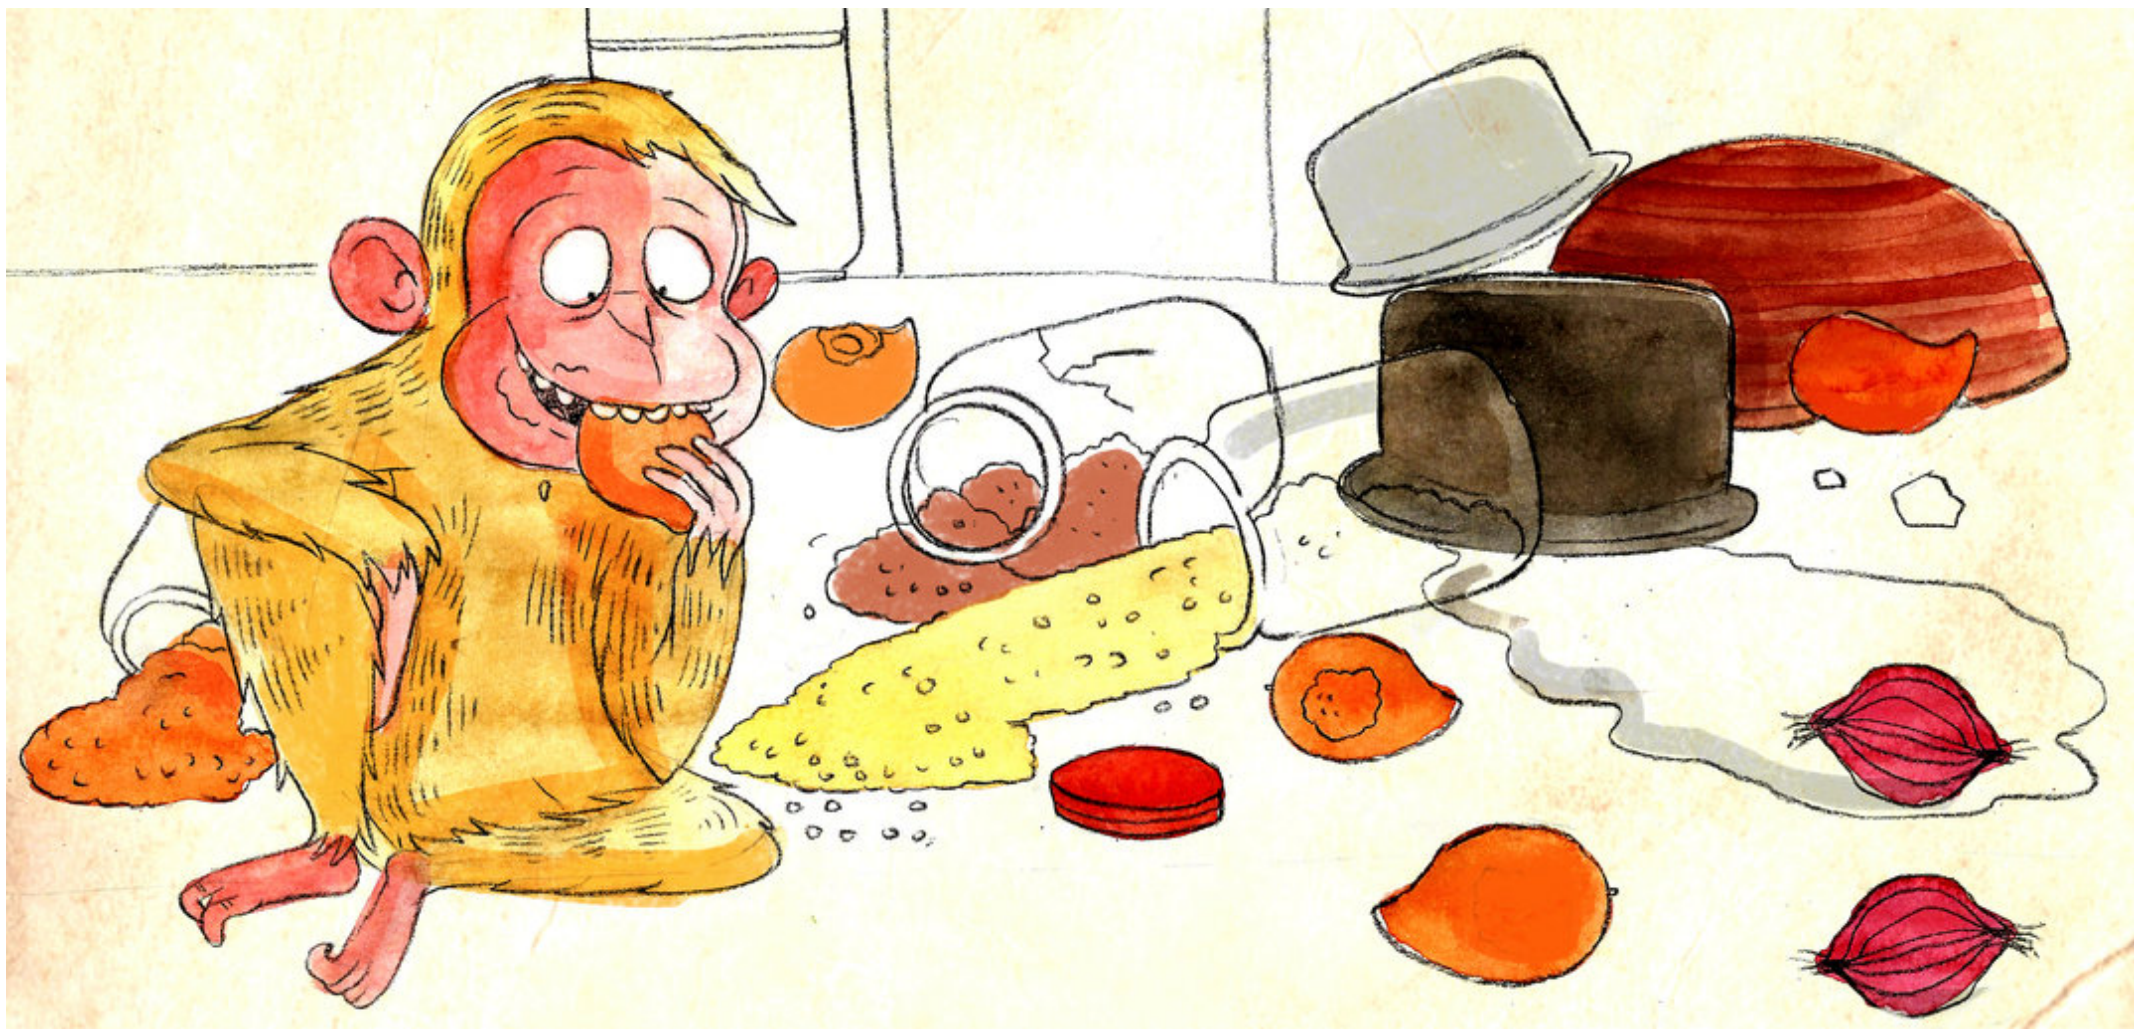

Если бы я не достал лестницу, мне бы не пришлось ее чинить.

Если бы мне не пришлось чинить лестницу, я бы не разбудил малыша.

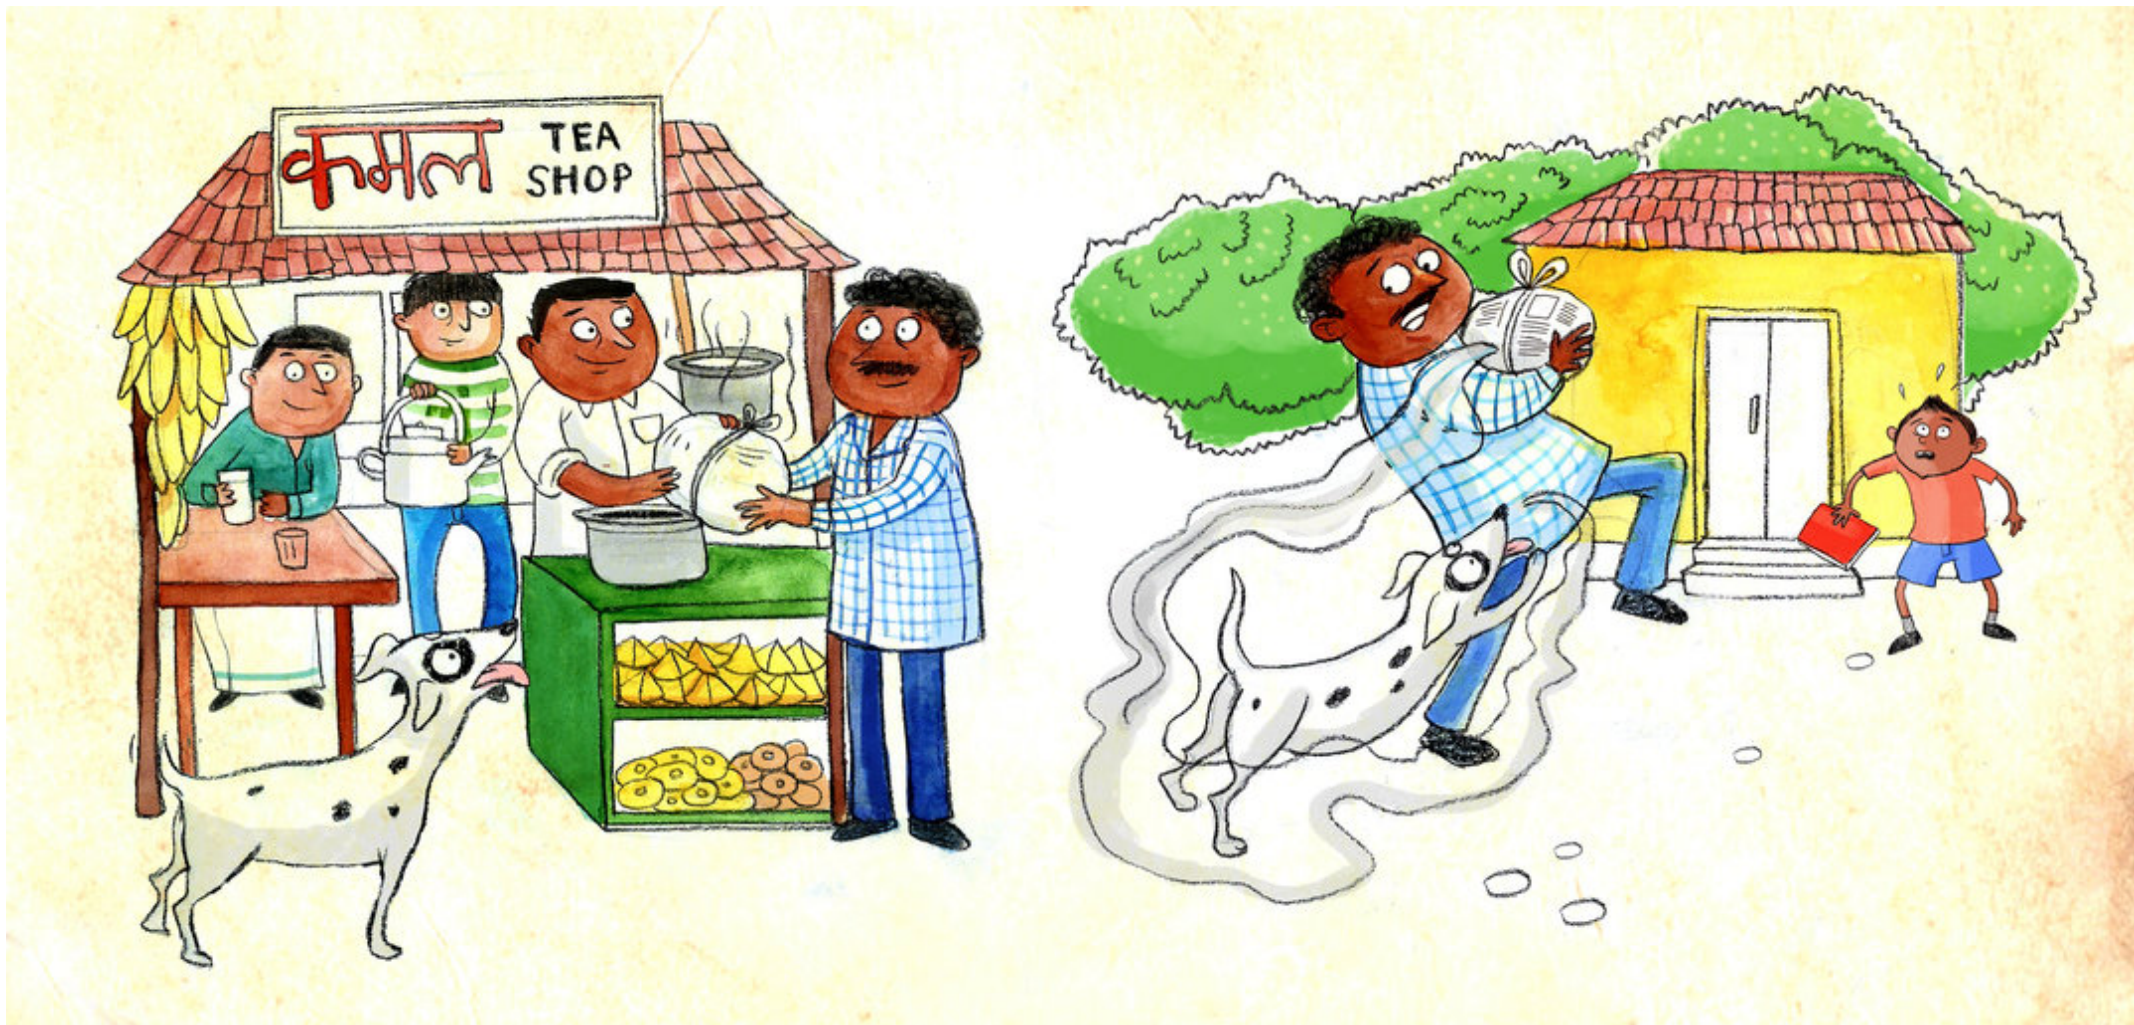

Если бы я не разбудил малыша, мама бы не выбежала с кухни.

Если бы мама не выбежала с кухни, на кухню бы не пробралась обезьяна.

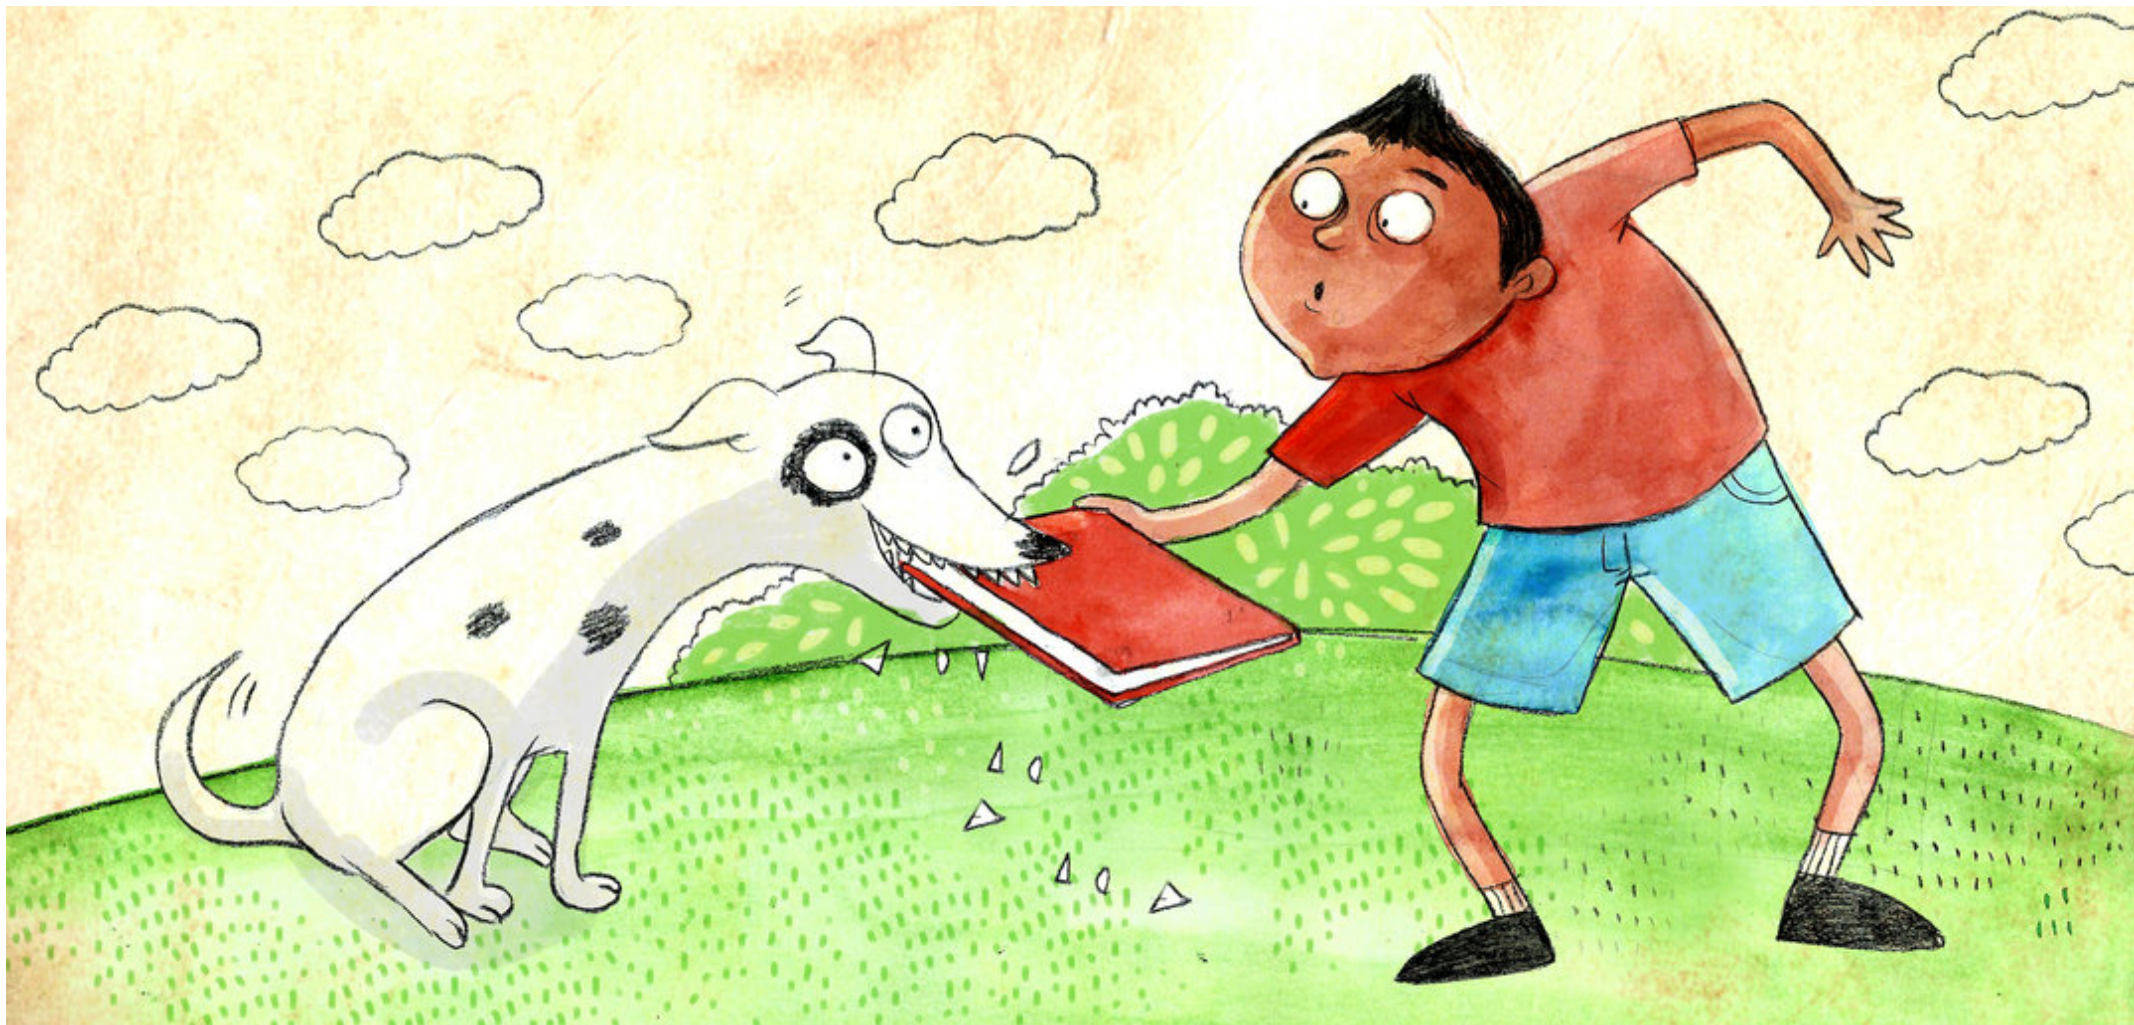

Если бы обезьяна не забралась на кухню, она бы не съела всю еду.

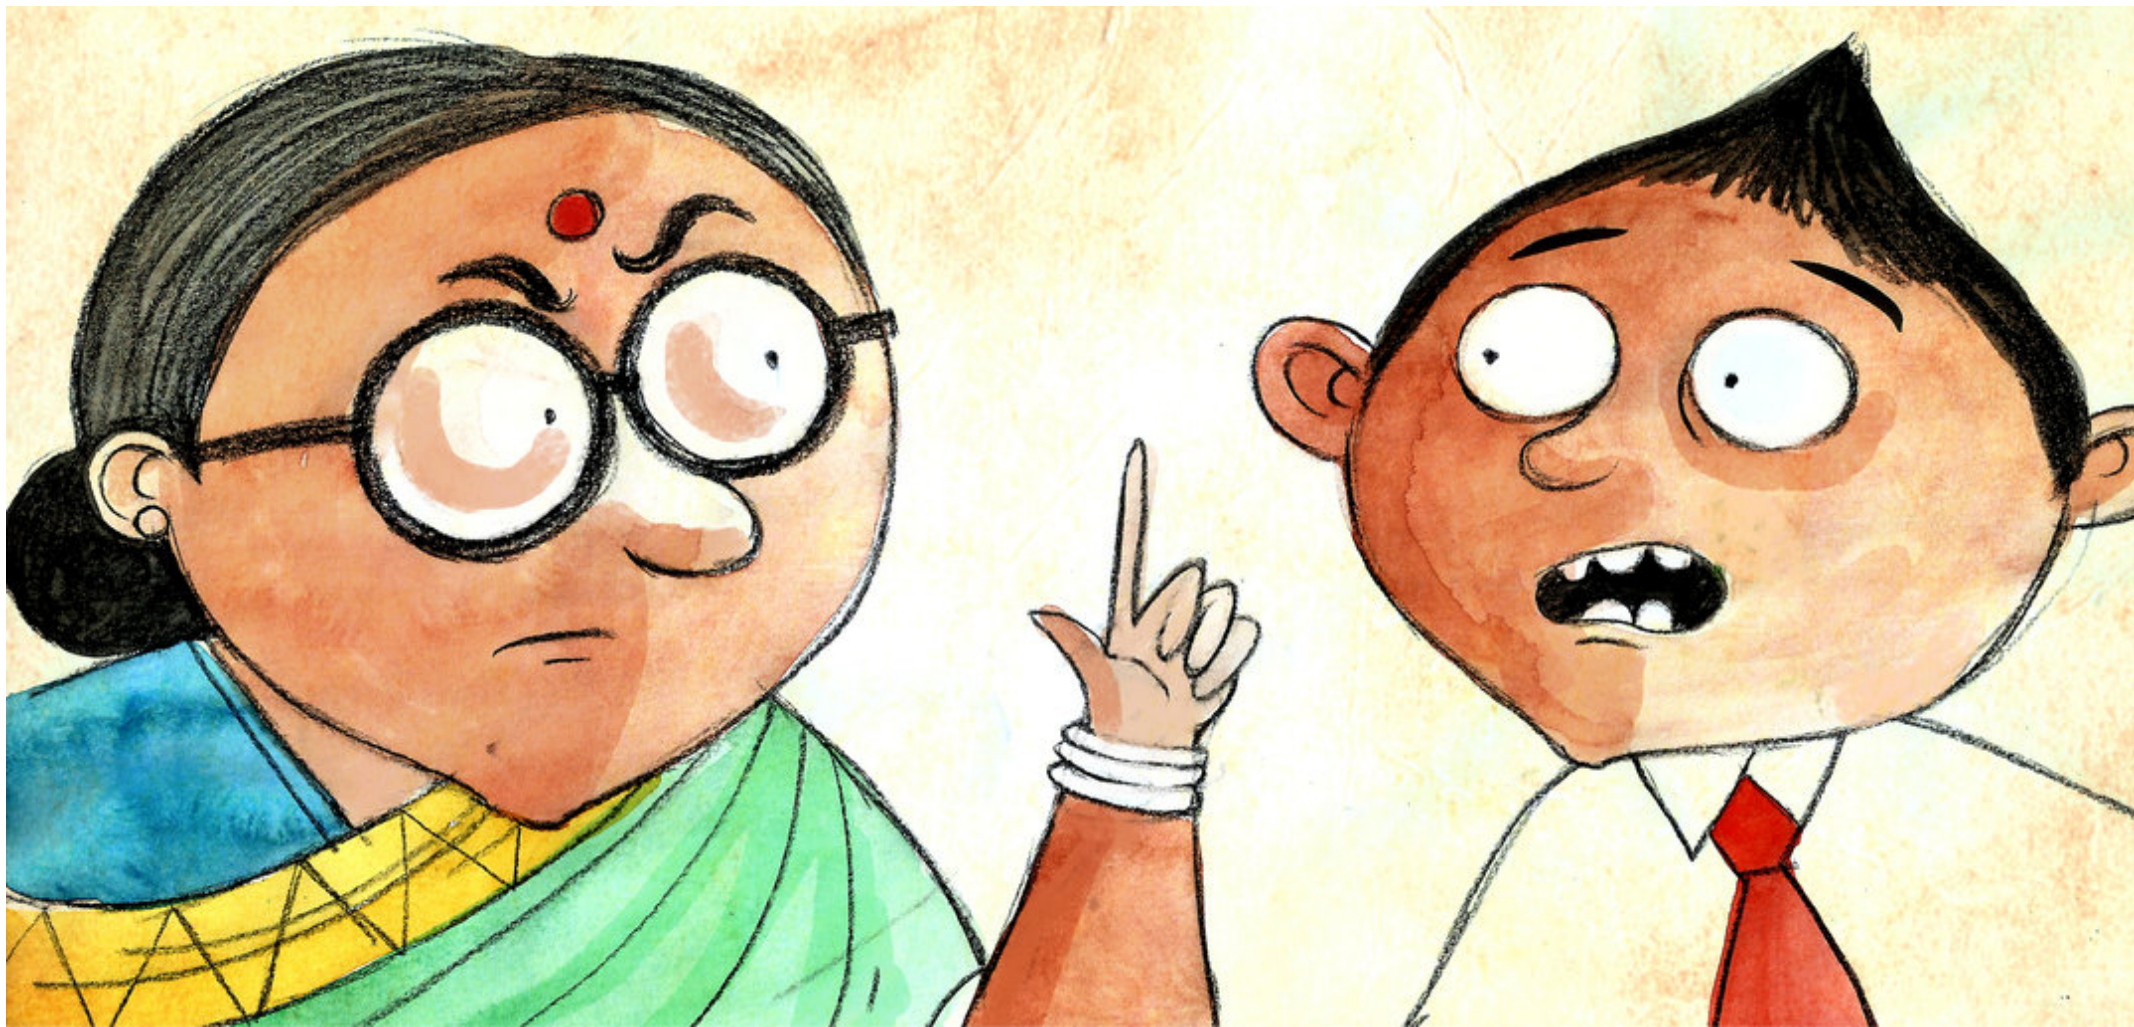

Если бы она не съела всю еду, папе бы не пришлось покупать лепешки и курицу в кафе.

Если бы папа не купил лепешки и курицу в кафе, собака бы не побежала за ним домой.

Если бы собака не побежала бы за ним домой, она бы не съела мое домашнее задание.

То есть, ты хочешь сказать, что собака съела твое домашнее задание?

Да, Мисс, во всем виноват кот!
